

ACCESSORIES

SPH-45/60

■ Spiral Hose

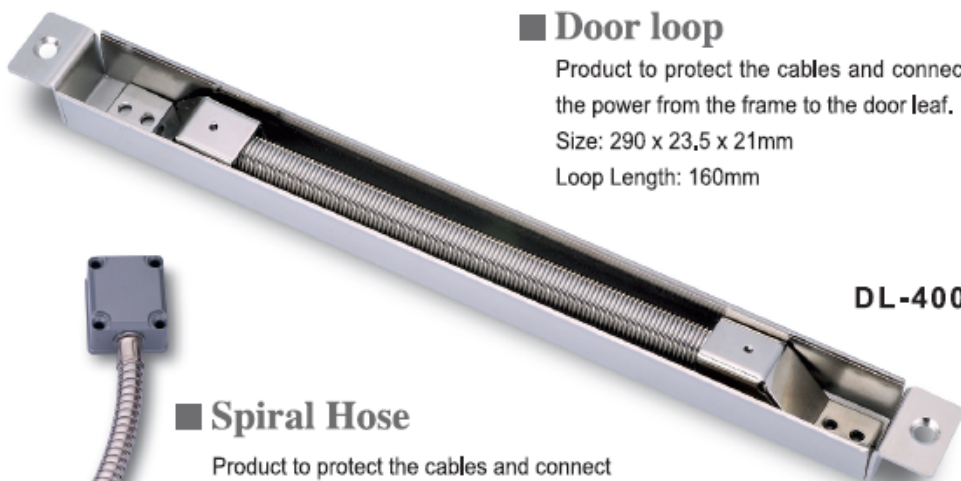

Product to protect the cables and connect the power from the frame to the door leaf.

Spring Length: 45cm / 60cm

Material: Stainless Steel

Housing: Powder Coating Silver

Housing Size: 48 x 40 x 23mm

DL-400

■ Door loop

Product to protect the cables and connect the power from the frame to the door leaf.

Size: 290 x 23,5 x 21mm

Loop Length: 160mm

■ Door Coordinator

Product to control the closing of rebated double doors. The coordinators prevent the wrong leaf closing first, and will hold the second leaf ajar until the first leaf has closed.
