

Encoder EN 100

The new encoder is compact and takes up minimal space on the front desk. It can be easily interfaced with the most common PMS via USB without requiring extra devices or a dedicated PC, thus allowing the issuing of guest and staff cards in just a few seconds, yet still providing relevant auditing details. Just place the keycard and click where and when the card owner can use it.

Item	Frequency	Standards	Key Card	Material		
TGH 2000 Electronic Hotel Lock	13.56MHz Read & Write	ISO 14443A ISO 14443B ISO 15693	MIFARE · MIFARE Plus · DESFire · DESFire EV1 · Legic · HID iClass	Backplate - Stainless Steel/Brass/Aluminum Handle - Brass, Stainless Steel		
Indication	Dimension	Door Thickness	Backset	Reading Distance	Power Supply	Temperature
LED (green, red) + Beep	300(L) x 65(W) x 18(H) mm	38 ~ 62mm	70mm	≤3cm	DC6V (AAA 1.5V x 4pcs)	0 ~ 70
